Walk of Honour *a tribute to those who supported the Canadian Forces*

The Walk of Honour consists of marble structures with engraved names of individuals or groups who have served in conflict. Currently, there are approximately 250 engraved panels on the Walk of Honour, which is located in the Camp Hill Veterans' Memorial Garden at the QEII Health Sciences Centre.

The Garden, which opened in 2000, is a private sanctuary of colourful flowers, sheltering trees, and pruned shrubs, and is a beautiful retreat for the Veterans, their families, and their caregivers.
